

In the next building, there are rooms with fireplace like hotel rooms I am not
Sure. In one of the rooms I saw standing in front of the fireplace, two male ghosts, well
dress, they look like **FBI** but they say their rank is higher, one of them said with authority
"

my name is Mc Glen" I cannot precisely get his true name. (I have his voice in my tape
recording)

De De has a picture with a face on it of a male ghost.

They want to be known, all the ghosts, suffer a lot.

The burned building was not accidentally burned. The burned building was intentional

Burned, for a reason.
