This is a true ghost story that happen in 2002

Upon entering the house, immediately, I saw a male ghost, six feet tall, very big body, he told me that his name was "R"! He was a smoker and a drinker; he was 48 years old when he died in the year 1962.

In one of the bedroom, the 10 years old girl's bedroom, was an old female ghost around 70 years old with white hair, very wild hair, she was five feet tall, dress in a white cotton gown, the female ghost was mentally disturbed, beyond help, her name sound like Karla or Karen she died in 1958. The most spectacular situation was that I had a witness, the ten years old girl, which lives in the house, confirmed my personal investigation. After I explained my final report to the family, the ten-years-old girl demonstrated her personal drawings, done days before my arrival, the drawings match exactly both ghosts that I personally reported in their house.

The lady of the house asked for the ghosts to be sent to the light of God to find peace, and I did.
